

Whitepaper V1

Introduction

BNBEAR is a fully evolving Ecosystem on the Binance Smart Chain, BNBEAR is giving 11% BUSD rewards as passive income to its holders.

By simply holding BNBEAR token in your wallet you will earn BUSD. BNBEAR token is going to be a totally decentralized finance platform that has been entirely originated, driven and developed by the community. The more BNBEAR tokens you own the more rewards in BUSD you will get. Holders will be paid in BUSD for every transaction.

BNBEAR has a very dedicated team that will make take this project to the highest levels in the crypto space.

Purpose and vision

Our main goal is to deliver full transparency to the community and investors.

BNBEAR protocol will be a fully community owned project and for that the ownership of the contract will be renounced when BNBEAR will hit 5 million marketcap.

There are not a lot of projects in the crypto space giving passive income with a renounced ownership. We have big goals for this project and for our investors, we want to hit the top market with our best utilities.

Ecosystem

BNBEAR will be governing numbers utilities of our Ecosystem. We will be launching our best utilities as we grow and bring the best for our investors.

- I. BNBEAR dashboard
- II. Staking and yield farming
- III. BNBEAR sniffer
- IV. NFT marketplace
- V. P2E game
